

Rio Myers

FULL-STACK DEVELOPER & CREATIVE CODER

✉ riomyers@gmail.com 📞 +1 210-350-5340 📍 Burnet, TX 🌐 riomyers.com 🐙 github.com/riomyers

SUMMARY

Full-stack developer and creative technologist with 15+ years building for the web. I ship production applications in React, Next.js, and TypeScript while pushing creative boundaries with WebGL, Canvas, and generative art. My background combines deep front-end engineering with hands-on leadership experience managing teams and overseeing \$2M+ in annual operations. Bilingual in English and Spanish.

EXPERIENCE

- **Director of Operations** Jan 2022 – Aug 2023

TCF Marketing — San Antonio, TX

 - Managed financial operations overseeing \$2M+ in annual revenue; collaborated with accountants to analyze P&L and reduce costs by 15%
 - Spearheaded a cost-reduction initiative saving over \$300,000 annually
 - Directed web development and digital strategy alongside operational leadership
- **Manager / Technical Supervisor** Aug 2019 – Jan 2022

TCF Marketing — San Antonio & Marble Falls, TX

 - Recruited, trained, and managed 15 employees; achieved 95% retention and reduced turnover by 20%
 - Directed website and online asset management, increasing user engagement by 20%
 - Designed and built the company website, improving digital visibility and online sales
- **Technical Supervisor** Jul 2013 – Nov 2019

Big Black Bag & Proofpix — Panama City

 - Led front-end development of a mobile application and 6-step web design platform for photographers and artists
 - Built and customized mobile site templates, improving client satisfaction by 30% and growing subscriptions 25%
 - Managed domain operations, website backups, and platform stability across thousands of client sites
- **Support Manager** Feb 2010 – Dec 2013

Big Black Bag & Proofpix — Panama City

 - Supervised support team and trained new hires; managed domain restoration and platform stability
